

Scientific picnic is designed as an informal gathering with science and therefore its concept combines entertainment and fun as two core elements of the event.

Scientific picnic is organized jointly by Network – popularization of science and a non-profit association Profesor Baltazar.

TTF team- scientists and students:

Sandra Flinčec Grgac, Tihana Dekanić, Ana Sutlović, Anita Tarbuk, Željko Knezić, Martinia Ira Glogar, Kruno Jendrijev, Lea Botteri, Zorana Kovačević, Marina Ivanšić, Tina Marinović, Ivana Čorak, Jelena Vidoš, Daria Katinić, Tina Čvorig, Sonja Rajter, Dijana Lukunić, Sunčica Puklin.

HVALA SVIMA NA DOLASKU!
10-20h

paviljon 20 i 10a

interaktivni pokusi  znanstveni spektakli  radionice  predstave  kratka predavanja

Scientists and students from the University of Zagreb, Faculty of Textile Technology (TTF team) have participated on the 3rd Scientific picnic which was held on Sunday, September 14th 2014 at the Zagreb Fair. Many visitors were intrigued by the exhibition and workshop entitled What hides jeans? presented by TTF team. During the evening hours TTF mannequins presented new Denim collection designed by Kruno Jendrijev, ex-TTF student.
